

JEFF G. WILSON

Computer Engineer | M.Tech Data Science | Machine Learning & Cloud Computing`

Monrovia, Liberia | +91 7623850312 | jeffgwilson0@gmail.com | LinkedIn: Jeff G Wilson | GitHub: jeffgwilson0

Nationality: Liberian

PROFESSIONAL SUMMARY

Computer Engineering graduate and current M.Tech Data Science student at Marwadi University, with hands-on experience across software development, data analytics, machine learning, and cloud computing. Skilled in building end-to-end applications and ML-driven solutions, with practical exposure to AWS, Microsoft Azure, and Google Cloud Platform through certified coursework and academic projects. Experience as a University Teaching Assistant, supporting instruction and student learning in a technical environment. Combines a strong technical foundation with research involvement, including a submitted IEEE conference paper on AI-generated misinformation detection. Seeking to apply a research-oriented, detail-driven approach to software engineering, machine learning, and data science roles, as well as graduate research opportunities.

EDUCATION

M.Tech in Data Science | Marwadi University — Rajkot, India
Commenced July 2025 (EQF Level 7)

Bachelor's Degree, Computer Engineering | Marwadi University — Rajkot, India
September 2021 – November 2025 (EQF Level 6)

Diploma, Electronics | Booker Washington Institute — Liberia
July 2016 – September 2020 (EQF Level 4)

TECHNICAL SKILLS

- Programming Languages:** Java, Python, JavaScript
- Frameworks:** Django, HTML/CSS, JavaScript Frameworks
- Machine Learning:** Predictive Modelling, NLP (Python & NLTK), Genetic Algorithms, Constraint-Based Optimization
- Data Science:** Python for Data Science, Data Structures, Data Analytics
- Cloud Platforms:** Amazon Web Services (AWS), Microsoft Azure, Google Cloud Platform (GCP)
- Networking:** Computer Networks, Networking Essentials (Cisco)
- Design Tools:** Figma, Sketch
- Operating Systems:** Linux, Windows

PROFESSIONAL EXPERIENCE

University Teaching Assistant | Marwadi University — Rajkot, India
April 2026 – Present

- Support faculty in delivering coursework and guiding students through technical concepts as part of academic duties at Marwadi University.

Graphic Designer & Media Team Member | Christ Fellowship — Rajkot, India
June 2024 – December 2025

- Created visual and media content as part of the organization's media team.

Graphic Designer | Flow Liberia — Monrovia, Liberia
March 2021 – September 2021

- Designed graphic materials for the organization.

Queue Controller | National Election Commission — Kakata, Liberia
April 2021

- Managed voter queues during national elections to ensure an orderly and efficient voting process.

July 2019 – February 2020

- Entered, verified, and updated records in databases and spreadsheets, maintaining data accuracy and consistency.
- Ensured confidentiality and timely maintenance of sensitive organizational records.

PROJECTS

E-Commerce Website (Final Year Project)

Technologies: Python, Django

January 2025 – April 2025

- Developed a full-featured e-commerce website using Python and Django as a final year academic project.
- Implemented core e-commerce functionality including product management and transaction workflows.

House Price Prediction Using Machine Learning

- Built a machine learning model to predict house prices based on relevant property features.
- Applied data preprocessing and predictive modelling techniques to generate price estimates.

Automatic Scheduling Generator

Technologies: Genetic Algorithms, Constraint-Based Optimization

- Designed an automatic scheduling system using genetic algorithms combined with constraint-based optimization techniques.
- Solved scheduling conflicts by optimizing across multiple constraints simultaneously.

Personal Portfolio Website

Technologies: HTML, CSS, JavaScript

- Built a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.

RESEARCH & PUBLICATIONS

TrustRAG: A Trustworthy Retrieval-Augmented Multimodal Framework for Real-Time AI-Generated Misinformation Detection

Author: Jeff G. Wilson

Paper ID: 615 | Journal: IEEE Gujarat Section Conference | Volume/Issue/Pages: 6

Status: Submitted, not yet published

CERTIFICATIONS

- NLP for Machine Learning with Python: NLP Using Python & NLTK — Marwadi University, Online (July 2026)
- AWS Academy Cloud Foundation Certificate — Marwadi University, In-person (April 2023)
- Python Data Structures — Coursera, Online
- Python for Data Science Certificate — Cisco Networking Academy
- Networking Essentials — Cisco Networking Academy

AWARDS & HONORS

- SII Scholarship — Government of India (August 2021)

CONFERENCES & SEMINARS

- Vibrant Gujarat Regional Conference (Saurashtra & Kutch), India — Volunteer, Documentation Committee (January 2026)

LANGUAGES

English — Mother Tongue
